

INTRODUCE *baby sign*

TEACH YOUR CHILD TO COMMUNICATE IN A VARIETY OF WAYS USING GESTURES AND SIMPLE SIGNS.

1

GETTING BASIC NEEDS MET

Teach your child the signs for "eat" and "drink" (or "milk").

2

SOCIAL ROUTINES

Teach your child to wave hi/bye, blow kisses for "I love you", and say "my turn" during play.

3

REQUESTING

Teach your child to point to items they want or use the sign for "want" or "please"

4

ASKING FOR MORE

Teach your child the sign for "more"

5

PROTESTING

Teach your child to sign "all done" to finish, sign "stop", or shake their head no to refuse something.

6

ASKING FOR HELP

Teach child the sign for "help".

7

ASKING QUESTIONS

Teach your child to put their hands palm up and out to the side to ask "Where?" and "What's that?"

8

COMMENTING

Teach your child to point to show or bring a finger to their ear when they hear something

9

ANSWERING YES/NO

No need for sign language! A simple head nod/shake will do!
